

For 40 and up in fiscal year 2024  
(until the day before one's 75th birthday)

Fujitsu Health Insurance Society 2024 Edition

## Health Checkup Request Form (Checkup for Extended Coverage)

**Please be sure to read this form.**

**You may receive one free health checkup during the fiscal year (from April 1 to March 31 of the following year).**

\* Please note that a second examination of the same type will be at your own expense.

Flow from appointment and examination to receipt of results	(1) Appointment	<ul style="list-style-type: none"><li>Please apply by calling the health center of your choice from among the enclosed "List of Contracted Health Centers."</li><li>When making an appointment, be sure to tell them it is for a "Fujitsu Health Insurance Society <b>Free</b> Health Checkup for Extended Coverage."</li></ul>
	(2) Preparation	<ul style="list-style-type: none"><li>The health center may send you a health checkup kit or other materials. If you have any questions, please ask the health center.</li><li>Please prepare according to the health center's guidance.</li></ul>
	(3) Examination	<ul style="list-style-type: none"><li>Please undergo a checkup on the day of your appointment. (In the unlikely event that you are unable to do so, be sure to contact the health center.)</li><li>Please bring your <b>Health Insurance Card</b> and this <b>Health Checkup Request Form</b>.</li></ul> <div style="border: 1px solid black; padding: 5px;"><p>For those who are unable to undergo the "Gastric X-ray test": Those who have allergic symptoms to barium or who have been previously diagnosed with intestinal obstruction or diverticulitis of the colon may request an "examination by gastroscopy" at the contracted health center. However, please contact the contracted health center to confirm whether such an examination is available and how to proceed with said examination. Any costs incurred for changes or additions are to be covered by the examinee.</p></div> <p>If additional tests other than those listed among the "Examination Items" on the reverse side are performed, you will be required to bear the additional costs. There is no Fujitsu Health Insurance subsidy for such costs. If you wish to undergo additional tests, please check with the health center regarding the amount you will be required to pay and the payment method.</p>
	(4) Receipt of result notification	<ul style="list-style-type: none"><li>You will receive a notice of the results of the health checkup from the health center at a later date.</li><li><b>If the results indicate that you should undergo a full examination, be sure to do so at a medical institution.</b></li></ul> <p>* Such further examinations and treatment are covered by insurance.</p>
